Toured the Cemeteries

Morton Cemetery mowed by Walter Carrier. In good shape. Wide drive is mowed. All around fence mowed outside 3' wide. Cemetery itself mowed & raked. It looks good.

Chace Cemetery - Kenneth, Harris and the boys were finishing up. Bob checked pump. Asked Cris to look at it. He said it was working when he put it in.

Assonet Cemetery - Looks fine. The Angus boys & their father were finishing up & should have no problem getting it in shape for tomorrow. Mothers Day.
