There is a \$10.00 charge payable to the Town Clerk for recording each deed. Multiple lots can appear on one deed. This fee should be paid in cash or by separate check.

Resident rate shall apply to former residents who lived in town at least five years. If past residency is disputed, the Town Clerk's census records shall be the only acceptable proof.

### Additional Information

Lots in the Veterans Section are provided free to veterans, their spouses, and any qualified dependents upon completion of an application and certification by the town's Veterans Agent. Lots will then be assigned at the time of need and deeds provided upon payment of the deed fee (\$10.00 as of this date).

Those who served in the armed forces who purchase lots outside the Veterans Section are afforded a discount. Spouses are at the full rate.
