Meeting minutes

- Meeting minutes from FCC meeting on 11/8/2023 read and approved unanimously.

Tree Lighting Event Recap

- Event went very well, despite poor weather. The kids craft table and facepainting was popular and received a lot of positive feedback. The choir performance received positive feedback as well. For next year, we plan to make the event shorter and include a rain date.

Conflict of Interest Disclosure

- Jeannine filed a Conflict of Interest Disclosure on 12/11/23 regarding former FCC members (Secretary and Co-Chair) who applied for a grant and the ability of current FCC members who served on the council with them to vote. Jeannine notified the MCC and Board of Selectmen. The Board of Selectmen voted to allow current members to participate in the vote.

Grant Process

- Jeannine provided an overview of the grant application and voting process for the new members of the Council.

2024 Grants Review and Voting

- Courtney confirmed that we have \$7326 to distribute for all grants. We received 29 applications, the most in recent history that anyone knows of, and we will not have enough funds to support each application.
