Fast Facts About Freetown

Settled 1659

The Freeman's Purchase, April 2, 1659, was a 4-mile tract of land purchased from the Wampanoag Indians.

Town Name — "Freetown"

Colonists who were "free men" purchased the land (Freeman's Purchase) and divided it into 26 lots which became known as "Freetown"

Pocasset Purchase

The Sogkonate Tribe claimed a section of the Freeman's Purchase was their land. After a court hearing, the property was purchased and divided into 30 lots and became known as New Freetown or East Freetown.

Incorporated 1683

Freetown celebrated its 325th Anniversary in 2008.

Town Hall—3 North Main St.

Was built in 1888 and was originally the home to all the town offices, police dept., fire department, and library.

Town Seal

State authorities recommended the use of town seals in 1890. When devising the seal for Freetown, the Chairman of the Board of Selectmen, Col. Silas P. Richmond took into consideration the "one little kettle" named in the Freeman's Purchase. The official seal was accepted by the town and was first used in 1893. The Town Clerk is designated as the "Keeper of the Seal."

Population

The population in Freetown is 9,206 per the 2020 Federal census.

Annual Census/Street Listing

[illegible]

Local Census forms are mailed to every household in January of each year. The census form contains the information of all members in the household, including address, name, date of birth, occupation, voter status & party enrollment, veteran status, and nationality (if not US Citizen), plus the number of dogs. The form should be signed by the resident (under the penalties of perjury), dated and returned to the Office of the Town Clerk in the envelope provided as soon as possible. Forms can be returned via US mail or dropped off at the drop-boxes located at the Town Hall, Police Station or either of the libraries.

Children should also be listed on the census form. This information pertaining to child under the age of 17 is not considered a record for public access (information is accessible to the school committee and police department per MGL). The veteran's status can only be released to the local veterans' service officer, adjutant general and secretary of veterans' services.

The census envelope contains a warning (as directed by Massachusetts General Law) stating that failure to respond to a census mailing for 2 consecutive years will result in the removal from the active voting list. By answering the census you help your community to obtain state and federal funds and also provide valuable demographic information.

A blank census form can be downloaded at www.freetownma.gov/census, and it can be completed and submit to Office of the Town Clerk if you did not receive one in the mail. This form can also be used by new residents who move to town during the course of the year.

Note that the Annual Census is different than the Federal decennial census administered by the Federal Government every 10 years, next scheduled for 2030. Those years, you will receive both the Local Annual Census and the Federal Census.

Dog Licenses

All dogs 6 months and older need to be licensed in accordance with Mass. General Law and local Freetown By-Laws. The annual license is required by March 31st each year. Rabies vaccinations have to be current in order to obtain a license.

Single licenses may be purchased through the mail by sending the license fee along with a copy of the rabies certificate and a self-addressed stamped envelope to the Office of the Town Clerk. The current fee for a neutered male or a spayed female is \$10.00 and \$15.00 for a dog that is not altered. Residents over the age of 70 qualify for one (1) free dog license per household.

Residents that have an up-to-date (not expired) rabies certificate on file with the Office of the Town Clerk can renew their existing license online at www.freetownma.gov/dogs.

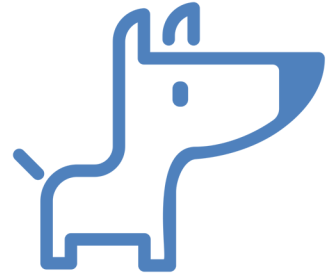

You can e-mail copies of rabies certificates to the Office of the Town Clerk at any time: dogs@freetownma.gov.

Kennel Licenses: If you have five (5) or more dogs on premises (whether for private or for commercial purposes), a Kennel license is required. Kennels vary in price according to the size of the kennel. To apply for a kennel license, please contact Lisa Podielsky, Animal Control Officer, at 508-386-8227.

Please note that commercial kennels need prior authorization from Zoning Enforcement Officer Carl Bizarro at 508-644-2201 ext. 3.

Late Fees: Licenses paid after May 31st are subject to a \$5.00 late fee and then an additional \$15.00 late fee after June 30th. Finally, a \$50.00 non-criminal violation will then be issued by the Dog Officer to the owner of the dog. If the resident declines payment of the violation and dog fees, a court date is set.

Residents should notify the Office of the Town Clerk if they no longer have a dog that was previously licensed, so that office staff can update our records.
