Seasonal Labor

It was acknowledged that Tim Dacey resigned as Sexton on March 28th. Resignation was forwarded to the Town Clerk's office as required by statute, so the position is now vacant.

Discussion was held on what to do with this position and how to have the grounds taken care of until the position is filled. Mr. Macomber stated the Highway Department would mow the cemetery for the time being. Mr. Richard stated the Highway Department is short-staffed but would make it work. Mr. Desmarais wanted to see the position advertised as soon as possible to try and have it filled as soon possible. It was agreed on consensus to post the position right away, without review of applications to begin in two weeks.
