

Meeting of Cemetery Board

A meeting of the Board of Cemetery Commissioners for the Town of Freetown was held on Tuesday evening, July 11, 1995 at 7:00 PM at the home of Mrs. Robert C. Barker, 15 Chase Road in East Freetown. Present were Ralph Hurney, Harris Chase and Hamitt Barker. Eleanor Chase and Janice Hurney also attended. Date & time of meeting had been posted at Town Hall and was in the V.B. Standard Times.

The minutes of the meeting of June 20th were read and approved.

We discussed the East Freetown Cemetery on Chase Road which we have the care of. The condition of the right-of-way into it is not good. We thought we might discuss this with Dennis DeMorseville as he wants to get to some of his farm activities. Posted name is Hog Lane. We would have to ask for Town money and take it through a Town Meeting to get funded. Michael keeps it in good shape though with limited funds.

We voted to have David Case finish Section 14 and start to straighten out the Pittalee Lots in the Old 19. Also have him mark out the two Lavine lots as Harris has a foundation to put in. After he has looked over the old 19, we will probably have to talk to Miriam Pittalee & brothers. Stake out Leonard Pittalee's & notify him.

Talk to Marc about the spw on the
Bobbitt Lot. We will trim it as we feel
taking it out will disturb stones. It's a
nice shrub. Notify the owner.

We need to talk to David Cass about
what we have left for space & where to
enlarge. Can we go from Section 22 - one block
South, avoiding graves already there?

We spent down all appropriated money
and bills went in before deadline in July.

Harold & Ralph will look into what
we can do with our \$5000. that was
appropriated at Town Meeting on June 26th.
(Roads - Surveying - Clearing) for Simmons, David
Cass & Marc St. Laurent may be consulted.

The next meeting will be on August 15th,
1995 at 7:00 P.M. here again

Respectfully Submitted
Harold C. Parker
