Chelsea greeted us with a tour of the library both upstairs and down and showed us what had been done and what still needed to be done. She asked about the big table downstairs where the computers are, and did it have to stay there or could it be moved. She had showed us smaller tables upstairs that would be better because it would give more floor space.

Chelsea also talked about working more hours and thus increasing her salary.

It was also brought up about the way the workers dressed. It was questioned whether jeans were appropriate to wear to work in the library. "dress code"

Meeting adjourned: 8:15 pm Motion made to adjourn by Vince and seconded by Christine

Respectfully submitted,

Irene Ashley
