REGULAR MEETING OF THE BOARD OF ASSESSORS
FREETOWN TOWN HALL, OFFICE OF THE BOARD OF ASSESSORS
MONDAY, APRIL 13, 2015

The Board inspected several properties on the evening of April 13th, 2015 with the intent of returning to the office at 7:00PM to deliberate abatement applications.

However, at the completion of the inspections, the last of which occurred in E. Freetown and didn't conclude until 7:00PM, the Board agreed that due the length of time it had required to properly perform each inspection, and due to the fact that they wanted to further review recent sales, they would not to return to the office for deliberation.

Instead, the Board decided it would post a meeting for Tuesday, April 21, 2015 at 5:30PM to bring any information they found pertinent and to complete their deliberations.

Respectfully submitted,

Karen M. Mello, Asst. Assr.
