Review of Real Estate and Personal Property Abatement Applications

#20 39 High Street, Assonet

This application was reviewed briefly. The clerk presented photos taken on June 26th. The field card shows a wood-frame shed and two metal sheds, but only one metal shed was observed. The field card also showed a hot tub as well as a photo of the rear of the home with the hot tub visible, and the field visit showed not hut tub. The abatement application also referred to patio blocks, but there was no indication the patio blocks were included in the assessment. A motion was made by Mr. Field, seconded by Mrs. Parker, to reduce the value by \$4,700 (\$1,000 for the wood-frame shed, \$600 for the metal shed, and \$3,100 for the hot tub) and abate \$61.19 in taxes. When polled, the members voted as follows: Field – Aye, Parker – Aye.

Meeting Adjourned

A motion was made by Mr. Field, seconded by Mrs. Parker, to return to open session. When polled, the members voted as follows: Field – Aye, Parker – Aye. The meeting returned to open session at 6:20 p.m.
