2017 FEB -7 PM 1:43

JAB

Present: Keven Desmarais, Janine Robidoux, and Charles Sullivan.

Absent: Christopher Mather and Maria Ternullo.

Call to order: Keven Desmarais called the meeting to order at 4:19 p.m.

Request for Certificate of Compliance – 137 Dr. Braley Road, East Freetown

Mr. Desmarais stated that he and Mr. Sullivan had inspected the project on January 22nd. All that appears to be left is for the lawn to grow in and show stabilization. It was noted that two small areas showed erosion, that some water is coming in from the street, and that front drains are still intended to be connected to dry wells. Also noted, by the applicant in his application, was that there were three deviations from the approved plans which the applicant felt were minor in nature, and there was no disagreement. The applicant has requested only a partial Certificate of Compliance until after the grass has grown.

A motion was made by Mrs. Robidoux, seconded by Mr. Sullivan, to endorse the partial Certificate of Compliance, noting that siltation control should remain in place and be shored up in the small areas showing erosion. The motion carried unanimously.

Minutes of Previous Meeting

The minutes of January 9th were not presented.

Bills

A schedule of bills paid since the previous meeting was read.

Any Other Business Properly Before the Commission

Brief discussion was held on attendance issues. Attendance for 2015 and 2016 was reviewed. Brief discussion was also held on having afternoon (4:00) meetings on weeks when there are no public hearings as part of the meeting. Consensus was to try this when possible.

Meeting Adjourned

A motion was made by Mrs. Robidoux, seconded by Mr. Sullivan, to adjourn at 4:26 p.m. The motion carried unanimously.

This is a True Record by me.
