

Freetown Community Electricity Aggregation

New Prices

Our Town's electricity supply program has been renewed. New prices go into effect in December and will be fixed through November 2025.

		
Standard Product	Plus (formerly called Green 100%)	Eversource Basic Service
15.784 ¢/kWh All Rate Classes	17.372 ¢/kWh All Rate Classes	16.078 ¢/kWh Residential
No additional renewable energy	Adds voluntary renewable energy (MA Class I RECs) to total 100%	No additional renewable energy
December 2023 through November 2025	December 2023 through November 2025	July 2023 through December 2023

****Savings cannot be guaranteed** compared to the utility's Basic Service rate which changes every six months for residential and commercial customers, and every three months for industrial customers. The aggregation program seeks to provide price stability and average savings over the full term of the program, but because future basic service rates are not known, there is no guarantee of savings.*
