Call to order:

Review and subsequent approval of proposed Open Space and Recreation brochure/pamphlet:

The board of selectmen discussed and voted on whether to approve the content of the flyer of the open space and recreation advisory committee.

Selectman Trevor Mathews asked the committee what the brochure was going to be used for. Committee Chairperson, Jeff Amaral informed the board that we have been working hard creating our open space plan and we are trying to get our name out and want to be able to pass these flyers out at the next town hall meeting, and local events like the strawberry festival.

The Board of Selectman unanimously approved the use of the brochure.

Jeff made a motion to adjourn the meeting at 6:16, and Lynn seconded it.
