

Open Space & Recreation Committee

Established by the Board of Selectmen on November 19, 2018

Mission Statement

To develop open space and recreation goals for the Town of Freetown, to work towards the establishment of an Open Space and Recreation Master Plan. The formation of this plan was one of the best practices chosen by the Town of Freetown as part of the Community Compact Agreement, signed by the Board of Selectmen and the Baker-Polito Administration on October 3, 2017.

Membership

The committee will consist of 5 members, including a member from the Planning Board and a member from the Conservation Commission. The committee will report to the Freetown the Planning Board.

Action Items

1. Gather, analyze and present information necessary to inform the Open Space and Recreation Plan.
2. Work with Southeastern Regional Planning and Economic Development District (SRPEDD) on the development of the Open Space and Recreation Plan.
