Canceled/Postponed to: _____

Clerk/Board Member canceling/postponing meeting

In light of the most recent state regulations relative to public meetings, Chairman Desmarais has decided to suspend all Planning Board meetings until such time that we can meet safely. The Town is trying to provide for a way to meet if boards have an "immediate necessity". If that does arise Chairman Desmarais will make provisions and the office will keep you informed as to how you can participate remotely.
