

On Tuesday January 15^h a duly posted Planning Board meeting was called to order at 6:17 pm on the first floor of the Freetown Town Hall at 3 North Main Street.

Present were Robert Raymond, Chairman, Mark Rogers and Marc Tisdelle.

The purpose of the meeting was to interview finalists for the position of Planning Technician.

It was determined by the members present at that time to ask the applicant questions formulated by each member as they each find them appropriate and relevant in view of the individuality of each of the candidates, their circumstances and qualifications.

The first and only candidate scheduled this evening was Lauren Moreau. (All applications are on file with the Planning Board for more information about each candidate)

Ms. Moreau was welcomed back and thanked for returning before the board, after thanking the Board for calling her for a second interview she answered our questions and asked some of her own questions to which we gave replies. The exchanges were open and productive with ample opportunity for each party to gain some knowledge and understanding of the requirements of the position and of the other parties involved.

Following the interview, which was done in an open session as required by the Open Meeting Laws, the Planning Board members in an open forum briefly discussed the qualifications of the candidate, and in recognition of the fact that two others candidates had been invited to return before the Planning Board for second interviews, ended the discussion.

No old business was conducted.

No new business was conducted.

A motion was made by Mark Rogers to adjourn the regular meeting and seconded by Mark Tisdelle. The vote was unanimous and the meeting was adjourned.
