Tasks requiring no investment (\$0)

- C) No update with regard to purchase of sign for Hathaway Cemetery
- D) Will continue working on getting a photo taken of all of the town buildings.
- E) FHC purchase signs to identify the town landmarks in the Historical Districts. Members will be working on the wording for the signs for the Historic Landmarks and will be collecting examples to be shared with the group (FHC). FHC needs a count of the total number of signs to be ordered. Funds from FHC budget will be used.
- F) Fire Station (Assonet location) renovations – No updates have been received.

- G) King Phillip Cave and solar farm – no information received this month regarding the deed.
- H) Riverfront Property discussed findings /artifacts. They are presently being held for safe keeping at the Town Hall. The FHC will catalog items and look for an appropriate case for the artifacts to be stored.

New Business

- A) Still waiting for an update on the So. Main Street bridge repairs. The river has had exceptionally high water this winter which may have hampered any progress.
- B) Recycling facility update – a cease and desist order for no-compliance was issued by the Board of Health and Building Inspector. There is an injunction for no work on weekends and federal holidays. The town continues to be supportive of the neighbors.
- C) #4 South Main Street on hold. FHC at a loss as to what should be done to proceed with this. No action is causing further deterioration.
- D) Tentative date for members to view the Riverfront Property artifacts 4/6/2018
- E) Mary brought in an article about the saw mill to share with the group.
- F)
Meeting adjourned at 9:00 p.m.
