Notice of every meeting of a local public body must be filed and time-stamped with the Town Clerk's Office *at least* 48 hours prior to such meeting (excluding Saturdays Sundays and legal holidays) and posted thereafter in accordance with the provisions of the Open Meeting Law, MGL 30A §§18-25 (Ch.28-2009). Such notice shall contain a listing of topics the Chair reasonably anticipates will be discussed at the meeting.

AGENDA / LIST OF TOPICS

This meeting will be available for in person attendance and on Zoom – On March 29, 2023 Governor Healey signed into law Chapter 2 of the Acts of 2023 which, among other things, extends the expiration of the provisions pertaining to Open Meeting Law to March 31, 2025. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide “adequate, alternative” access to remote meetings. This meeting of the Freetown Board of Selectmen will be conducted in person as well via remote participation to the greatest extent possible. Specific information and general guidelines for remote participation by members of the public can be found on the Town of Freetown’s website, freetownma.gov

For this meeting, members of the public who wish to listen to the meeting may do so in the following manner: downloading Zoom and entering the meeting ID below, calling the number listed below and entering the Meeting ID listed below, or by going to <https://us02web.zoom.us/join> and entering the Meeting ID listed below.

Although in person attendance is available for this meeting every effort will be made to ensure that the public can adequately access the proceedings in real time via technological means. In the event that we are unable to do so, despite best efforts, we will post on the Town’s website and YouTube Channel an audio or video recording, transcript. Or other comprehensive record of proceedings as soon as possible after the meeting.
