Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide "adequate, alternative" access to remote meetings. This meeting of the Freetown Conservation Commission will be conducted via remote participation to the greatest extent possible. Specific information and general guidelines for remote participation by members of the public can be found on the Town of Freetown website, [freetownma.gov](http://freetownma.gov).
