On July 16, 2022, Governor Baker signed into law An Act Relative to Extending Certain State of Emergency Accommodations, which, among other things, extends the expiration of the provisions pertaining to the Open Meeting Law to March 31, 2023. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide "adequate, alternative" access to remote meetings. This meeting of the Freetown Conservation Commission will

be conducted via remote participation to the greatest extent possible. Specific information and general guidelines for remote participation by members of the public can be found on the Town of Freetown website, freetownma.gov.

For this meeting, members of the public who wish to listen to the meeting may do so in the following manner: downloading Zoom and entering the Meeting ID below, calling the number listed below and entering the Meeting ID listed below, or by going to <https://us02web.zoom.us/join> and entering the Meeting ID listed below.

No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time via technological means. In the event that we are unable to do so, despite best efforts, we will post on the Town's website or YouTube Channel an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.
