The SHINE Program
Serving the Health Insurance Needs of Everyone

What is SHINE?

SHINE provides free health insurance information, counseling and assistance to Massachusetts residents with Medicare and their caregivers. SHINE is administered by the Massachusetts Executive Office of Elder Affairs in partnership with elder service agencies, community-based organizations. SHINE is a State Health Insurance Assistance Program (SHIP) and is partially funded by the Centers for Medicaid and Medicare Services.

What is a SHINE Counselor?

A SHINE counselor is trained and certified by the Massachusetts Executive Office of Elder Affairs in the various options available to Medicare beneficiaries-including Medicare Parts A & B, Medicare Advantage, Medicare prescription drug coverage (Part D), Medigap, Prescription Advantage, MassHealth and other programs that help people with limited resources pay for health care costs.

How can a SHINE Counselor help me?

SHINE Counselors help Medicare beneficiaries and their caregivers navigate the complex health insurance system. A SHINE counselor can explain Medicare options and how Medicare works in everyday language. A SHINE Counselor can help you compare the costs and benefits of Medicare and other health insurance options and help you enroll in a health insurance program that best fits your needs. A SHINE counselor can help people with limited resources enroll in programs that help pay health insurance costs.

SRTA's ADA-Demand Response Service

The Demand Response Service is a curb-to-curb service for those individuals who are unable to use the regular buses that operate on a fixed route and time schedule. It is a comparable service to the Authority's fixed route service. If a person can use a regular bus they do not meet the requirements for this service. They must use regular busses, but may apply for a reduced rate on these busses. Please call the COA for further information. We have applications at the COA.
