- B. A "grievance in writing" shall mean a summary of the alleged facts upon which the grievance is based, with a specific reference to the section of this Agreement which is alleged to be affected and the remedy sought, in the format outlined in Appendix A.
- C. An "aggrieved person" is any person covered by this Contract or persons making the claim.

D. A “party of interest” is any person who might be required to take action or against whom action might be taken in order to resolve the claim.

E. The word “employee” shall be any employee covered under the terms of this Contract.

## **Section 2. Purpose**

A. The purpose of this procedure is to secure, at the lowest possible administrative level, prompt and equitable solutions to the problems that may from time to time arise affecting the working conditions of employees. Both parties agree that their proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Nothing herein contained will be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her immediate superior or Department Head, where the grievance involves action by the Department Head, and having the grievance adjusted is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

## **Section 3. Procedure**

Since it is important that grievances be processed as rapidly as possible, the number of days at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement. Reference to days shall mean working days when the Town offices are open,

A. Level One: An employee with a grievance will within ten (10) days of the incident, first discuss it with the Department Head, either directly or through the Association Grievance Committee representative, with the objective of resolving the matter informally.

B. Level Two: If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within ten (10) days after the first meeting with the Department Head, the employee may file the grievance in writing with the Chairperson of the Association Grievance Committee within five (5) days after a decision by the Department Head, or fifteen (15) days after the employee has first met with the Department Head, whichever is sooner. Within five (5) days after receiving the written grievance, the Chairperson of the Association Grievance Committee may file an appeal in writing with the Board of Selectmen. This written appeal must specify why the Level One grievance decision did not secure a prompt and equitable solution to the grievance. The Board of Selectmen shall hold a hearing and issue a decision within fourteen (14) days of receipt of the appeal.

C. Level Three: If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within ten (10) days after he/she has first met with the Board of Selectmen, he/she may, within five (5) days after a decision by the Board of Selectmen or fifteen (15) days after he/she has first met with the Board of Selectmen, whichever is sooner, request in writing the Chairperson of the Association Grievance Committee to submit his/her grievance to arbitration. If the Association Grievance Committee determines that the grievance is meritorious and that submitted to arbitration is in the best interest of the Association, it may submit the grievance to arbitration within fifteen (15) days after receipt of a request by the aggrieved person with the American Arbitration Association or an agreed-upon Alternative Dispute Resolution Forum or Company or an agreed-upon arbitrator. The function of the arbitrator is to determine the interpretation and application of express and specific provisions of this Agreement. There shall be no right of arbitration to obtain, and no

arbitrator shall have any authority or power to award or determine, any change in, modification or alteration of, addition to, or detraction from, any of the provisions of the Agreement.

D. Within ten (10) days after such written notice of submission to arbitration, the Board of Selectmen and the Association Grievance Committee will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator, or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association, by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

E. The arbitrator so selected will confer with representatives of the Board of Selectmen and the Association Grievance Committee and hold hearings promptly and will issue his/her decision not later than twenty (20) days from the date of the close of hearings or, if oral hearings have been waived, then from the date of final statements and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on issues submitted. The arbitrator will be without power or authority to make any decisions which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement.

The arbitrator shall confine his/her award exclusively to the interpretation or application of the express terms of the Contract. The award may not add to, detract from, alter, amend or modify any term or provision of this Contract. It shall neither establish nor alter any pay rate or wage structure contained within the Contract.

The arbitrator's award, so long as it is made on the merits of the grievance and is not arbitrary, capricious or in contravention of any applicable statute not superseded by the Contract, will be final and binding on the parties.

F. The costs for the service of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equal by the Town and the Association.

G. The parties may extend the time frames contained in the grievance procedure upon mutual agreement.

#### **Section 4. Rights of Employees to Representation**

A. No reprisals of any kind will be taken by any elected or appointed member of the Town Government against any party in interest, any member of the Grievance Committee or any other participant in the grievance procedure by reason of such participation.

B. Any party in interest may be represented at all stages of the grievance procedure by a person of their own choosing, except that the party in interest may not be represented by a representative or an officer of any organization other than the recognized Association. When a party in interest is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

#### **Section 5. Miscellaneous**

A. If, in the judgment of the Association Grievance Committee, a grievance affects a group or class of employees, the Grievance Committee may submit such grievance in writing to the Department Head directly and the processing of such grievance will be commenced at Level Two. The Grievance

Committee may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

B. Decisions rendered at Levels One and Two of the grievance procedure will be in writing setting forth the decision and the reasons therefore and will be transmitted promptly to all parties of interest and to the Chairperson of the Association Grievance Committee. Decisions rendered at Level Two will be in accordance with the procedures set forth in Section 2, paragraph A.

C. The Town reserves the right to institute a grievance based on a violation of the Contract, and the same rights of arbitration contained in Level Three of grievance procedure shall be applicable to the Town.

## **ARTICLE XVI** **AGREEMENT DELETIONS**

If any term or provision of this Agreement is, at any time during the duration of this Agreement, adjudged or determined by a court or administrative agency, to be in conflict with any law, such term or provision shall become invalid and unenforceable, but such invalidity or unenforceability shall not impair or affect any other term or provision of this Agreement.
