Service fees will generally be debited from your account based on your Service Provider's Form ADV Brochure and the terms of service and billing period agreed upon by your plan sponsor; however, if you cancel participation in the service, the fee will be based on your participation in the service through the date of cancellation for asset-based fees. For dollar-based fees, the full billing period rate will be assessed notwithstanding the date of cancellation. If your plan terminates its agreement with your Service Provider or with its recordkeeper, the fee will be debited based on your participation in the service through the date of such termination. The fee you are charged depends on the plan you participate in, and in certain instances, the fees charged may actually be lower than the fee depicted.
