VICTIM.....

First Call came from area code 212 New York. Person asks “**CAN YOU HEAR ME?**” When you say “YES” the scam is in progress.... **HANG UP IMMEDIATELY.** If you don't, caller tells you that you are eligible for **\$9,000. TAX-FREE FEDERAL GRANT** which you do not have to pay back. You are then given a code to identify you. Caller then told me to call another person at a (929) number to register for eligibility....I gave the code which validated it. I then was told to provide my bank debit card. **I DID NOT PROVIDE MY “PIN” number** for the **\$700.** bank transfer fee for the Federal Bank of NY. They would deposit **\$9,700.** into my debit card, giving me back my **\$700. THAT DID NOT HAPPEN !!**
