Free Prenatal to Five program for income-eligible children and families of all abilities living in Fall River and the surrounding towns of Berkley, Dighton, Freetown, Lakeville, Rehoboth, Seekonk, Somerset, Swansea and Westport

About Us
Since 1965 CFC has provided high quality comprehensive early childhood education and care to eligible children of all abilities and their families. Head Start and Early Head Start believe the development of a young child is unique. Children enrolled in the programs are offered a variety of experiences allowing them to explore and discover. Our basic philosophy of learning through doing is carried out in all phases of the child’s day. (License #212592)

Our Services
CFC offers extended day and part-day part-year preschool, infant & toddler classes in 6 locations and accepts PACE child care vouchers for our full-day, full-year classrooms. We also have a Prenatal to Five Home Based option which offers instruction in the home once per week as well as at the center one day per week.

CFC provides, health, nutrition, mental health, disabilities, and social services for pregnant women, children and families. Limited school bus transportation and taxi vouchers are available for Fall River families who qualify. Public transportation and information about other transportation options is available.

Accredited by the National Academy for the Education of Young Children
